

Dear Prayer Partners,

Grace and peace be yours in abundance through Jesus Christ.

Life has been so busy over the summer; I am still working with the International Students Ministry and rejoicing as I serve with them. I am really so sorry for taking so long to update you on my ministry.

God Is at Work

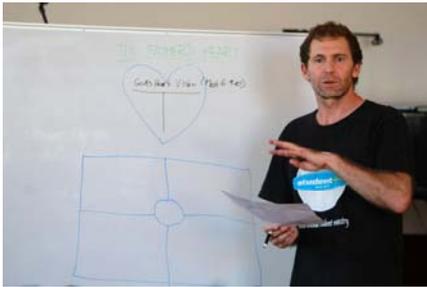

My students were still staying in Brisbane over summer, and I continued leading Bible studies with them. I have seen God at work, changing their lives. For example, a homosexual came to study the story of Jesus with me for 2 months. She was amazed hearing the story of the leper who was willing for Jesus to make him clean. She responded by saying, "Jesus said to him, 'Show yourself to the priest' ". It was amazing that this story made her understand, so she followed Jesus in her heart. She told me she had pursued different religions without finding a solution, but only Jesus can help her. She told me she wants to be a pastor or a missionary like me in ten year's time. She was baptized in December last year. Another story is when Ken led Mike to Christ, and he came to study with us. He shared his testimony with us, about how he became a true Christian. He gave up his Pokemon hobby and brought his parents close to God. God worked in his life! I know he is a potential leader and I would like to train him. Praise the Lord that he is willing to serve God on campus. Also, his mum is interested in doing evangelism for people in China, I will coach her.

Summer Projects

From Dec 6 – Feb 14, I got involved with the Summer Pulse Project Planning Team - connecting to both local and international students. It motivated them to live out our vision and sharpened them in their faith.

Also, we had the Beyond Brisbane Project (Feb 12-24) for training student leaders to do evangelism during Orientation week, giving them new experiences to meet new students on campuses at UQ, QUT, Griffith and UQ Gatton. They stepped out of their comfort zones for this training. As a result, they led students to Christ and will lead students in Bible groups. How excited to see 5 generations: Melody, Fiona, Jenna, Thea and Xiang - each leading someone else to Christ! Here is the link where you can watch my grandma Melody video. During this project, we had 13 students make decisions to follow Christ.

Praise the Lord! God is at work. I led Melvin and Yorke and Isaac to Christ from Taiwan, China and Ecuador. Please pray for them to continue to grow in faith and that we will follow them up well. Awesome God! During this Project, Darren and I helped Ellen lead Solomon to Christ. Now she has become our student leader and is leading Discovery Bible Study with Katie who is a non-believer. Please pray. I also thanked God for helping me to connect to students and their parents through the Beyond Brisbane Project. We became friends through the bridge and I connected their children to my team and the other church. We can help their children grow in faith through pastoral care.

This semester Ken and I will lead 2 groups for new believers (Melvin, Isaac, Mike and Solomon) and 1 group for a non-believer, Nicky. I will disciple Michelle and coach 3 student leaders (Ellen, Jenna and Eunice).

Missionary Nexus Conference 2017 (Jan 16-20)

We get together with all the other Power to Change campus missionaries from across the country for Nexus every 2 years. This year was my first time, and it was such an encouraging and inspiring time with talks on character growth and other training with the Power to Change family.

QLD Missionary Retreat (Feb 1-3)

Our Missionary Retreat in Redcliff was my first, and I really enjoyed it with our team. We got together to share our vision to serve God and reflect on our spiritual journey. Also we did the strengths finder access to discover how our team works together. During the retreat, I wholeheartedly embraced the vision and mission to launch a spiritual movement and help students cast vision to multiply disciple-makers to the world.

Prayer points:

1. Praise the Lord! Darren Stone and Peter Brook of Power to Change encouraged Ken to join me so we can be a missionary couple. His application was accepted by Power to Change as a New Missionary Appointee in February. How excited we are to serve together. He will reach out to students and faculty through Pastoral Conversations and Gospel presentations on the UQ campus. Here is the link where he shares his calling. He needs to raise financial support (regularly AUD \$1500/month and special gifts for trainings and conferences AUD \$450/month). Now he has reached a support level off 10%. He is attending the New

Missionary Orientation on March 30-April 3 in Melbourne. We hope you can consider supporting him by increasing your pledge a little. If he reaches 100%, we can attend the Core Team Training on May 5-8 in Melbourne together. Also, please pray for me to go to the Frontline Training Block 3 in Sydney from April 4-8.

2. I thank God that one of my ministry partners from Canada is the age of 83. She sent some money into my ministry support account early because of her mission trip to South America from March to May. I am so touched by her love. God is so good and cares for me.
3. Pray for me to finish my Frontline Training assignment due 31 March.
4. Michael has moved back to live in Brisbane this month, but it takes him 2 hours (return trip) to drive to and from work. Pray that God will protect our family physically, emotionally, and spiritually every day.
5. Pray for our breakthrough conference to be held from April 21-23 and for more students attending to be equipped.
6. Pray for our safe trip back to Hong Kong from April 14-24 to celebrate my mother-in-law's birthday of 81 and to catch up with our ministry partners.

Thanks again for wholeheartedly standing with us in prayer and/or giving financial support for the student ministry. I give a big hug to all of you. May God open the windows of heaven for you and pour out on you abundant blessing without measure (Mal. 3:10). Please do not hesitate to write your prayer requests or contact me. I would love to hear from you.

Blessings to you and your family!

Yours in Christ,
